Ordering General Seminary Rings & Crosses

General Theological Seminary Commemorative Rings and Crosses are available for ordering in early Spring, usually early March, when the ordering is done for that year's graduating students. An announcement with current pricing and order forms is sent out at that time.

If you are a member of the alumni community who would like to place an order, please email the alumni office at alumni@gts.edu at any time throughout the year, and we will contact you to place an order with the graduating class.

The Class Ring or cross are available in Sterling Silver or 10K and 14K Gold upon request. Customized engraving of your Class Year and up to three initials is also available. Because of the fluctuation of the silver and gold market, prices are not posted because they are subject to change from year to year.

The Rings and Crosses are blessed in a special Evensong at the beginning of Commencement week. After the ceremony, we will ship the item(s) to you.

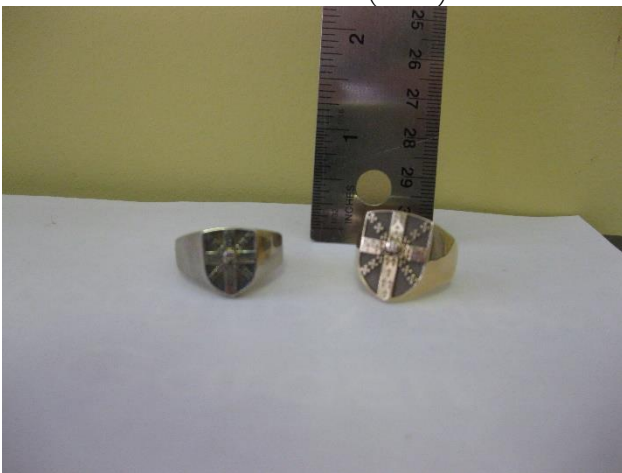

Questions? Call 646-717-9705. Or email alumni@gts.edu.
